Celebrating National Moabitess' Day

Moabitess Day is not only about our Asiatic Mothers, but we celebrate the Sisters; young and old. Sisters give birth to the Nation or better put from out of the Sisters a Nation is born.

Moabitess Day represents what a Moabitess Sister within the Moorish Science Temple of America represents. Ruth the Moabitess from the Holy Bible, is a very well known sister. She was the daughter-in-law to Naomi and later on she married Boaz. Then she became the great grandmother of King David who was of the lineage of Brother Yehoshua.

Ruth 1:16-17,
And Ruth said, Entreat me not to leave thee, or to return from following after thee for whither thou goest I will go and where thou

lodgest, I will lodge; they people shall be my people, and thy God my God. (17) Where thou diest, will I die, and there will I be buried: the Lord do so to me, and more also, if ought but death part thee and me.

Ruth's words held sincerity and power. Ruth was not just a daughter-in-law to Naomi she had become a loving, loyal and devoted friend and daughter in every sense of the word. Ruth told her the only thing that will separate me from leaving your side is death. How strong a statement was that. She was a friend that stuck closer to Naomi than her own flesh and blood. The name of Ruth means: loving friend, loyal daughter, companion, someone to be trusted,

honest, she was devoted. All Ruth cared about was Naomi welfare and not leaving her side. She stopped thinking about herself and what she would face when she got to Naomi's home in Bethlehem Judah. Ruth was a Moabitess from Moab.

If only we all could develop that kind of loyal-friendship and have that kind of love, sacrifice, dedication and devotion to one another the world would be a peaceful place to live in.

My Moabitess Sister of the Moorish Science Temple of America are such Sisters. Their love, faith, loyalty, and devotion first to their Father God Allah and dedication to our Prophet Drew Ali; then to each other should be an example to all.

"Happy Moabitess Day."

AN INVITATION TO UNITY

Written by Bro. Sheik Immanuel Bey from the 'Harbenger Nus' NewsPaper
Edited by Bro. Sheik Shakoor Bey N.G.M

ISLAM. In the spirit of our Holy Prophet Noble Drew Ali, this letter was divinely prepared on the day of April 29, 2011, as a medium, an actual conductor, to communicate through the slow vibrating ethers on the plane of soul, and the even slower vibrating ethers on the plane of things made manifest.

2013 will be the 100th year anniversary of the Moorish Science Temple of America, and should be celebrated in the spirit of Love and Unity. Chicago is our New Mecca and the lack of a centralized order

"Allah alone guides the destiny of the Moorish Science Temple of America."

The Prophet Noble Drew Ali

of communion amongst faithful members of the Moorish Science Temple of America is a detrimental hindrance to the progression of this Moorish Divine National Movement. There is a need to lawfully meet and discuss, for the correction, of the current Ethiopian status among various Grand Bodies. This is our lawful and DIVINE duty as Moorish American Moslems, according to ACT 3 of The Divine Constitution and By-Laws. "LOVE, Truth, Peace, Freedom and JUSTICE must be proclaimed AND PRACTICED by ALL members of the Moorish Science Temple of America". The true spirit of ACT 3 is within its simplicity, and the first principal the Prophet instructed us to proclaim, LOVE. In order to practice anything on the plane of things made manifest, you must be active at doing it witch is a practical application. The Great Meeting Is On!

This correspondence is being offered to Governing Officials of the Moorish Science Temple of America, in the Mecca, purposely without established dates and agendas so all bodies can willingly choose to be part and parcel of organizing this said meeting. According to The Holy Koran of the Moorish Science Temple of America,

Circle 7, Chapter 35-Religion, Ayat 9 and 10, "The PROVIDENCE of Allah is ever all his works; He ruleth and directeth with infinite wisdom. He hath instituted laws for the government of the world; He hath wonderfully varied them in all beings; and each, by his nature conformeth to His will."

Hear, now, ye cherubim, ye seraphim, ye angels and ye men! My fellow Moors, the Holy Breath will make us one again, restoring harmony and peace. Naught can make us one, but love. Allah so loved the world, He clothed His son in flesh that man can comprehend and know that the only savior of the world is

is love. Thus, ALL members must

preserve our Holy and Divine laws and ALL members must obey the laws of the government, because by being a Moorish American, you are a part and partial of the government, and must live the life accordingly.

On behalf of,

Grand Major Temple No. 7
Supreme Grand Body, Supreme Grand Council

We are working towards restoring the true image of this Moorish Divine National Movement in the Spirit of Key 1 and Keys 38 - 41 from the Koran Questions For Moorish Children. Allah made us. An Angel is a thought of ALLAH manifested in human flesh, used for carrying messages to the four corners of the world and all nations. Our Prophet to us is an Angel of ALLAH, who is sent to bring us the EVERLASTING GOSPEL of ALLAH. The Everlasting Gospel is a SAVING POWER that comes from Allah through our Ancient Forefathers by His Prophet. In Unity, there is real strength and collectively, we are the saving power of fallen humanity. 'One Prophet, One Temple.' Under the leadership of National Grand Sheik Kenu Umar Bey, we humbly thank you for your time, consideration, and acceptance of this letter. We sign out as we opened in Love, Truth, Peace, Freedom and Justice.

ISLAM,
N.G.S. - Kenu Umar Bey
