What is Islam?

Islam is a very simple faith. It requires man to recognize his duties toward God-Allah, his creator, and his fellow creatures. It teaches the supreme duty of living at peace with one's surroundings. It is pre-eminently the religion of peace. The very name "Islam" mean "Peace". The goal of a man's life according to Islam is peace with everything, peace with Allah and peace with man. The Koran, the Holy Book of Islam, tells us that the final abode of man is the "house of peace" where "no vain word or sinful discourse" will be heard. The Holy Divine Prophet, Noble Drew Ali says that "a follower of Islam in the true sense of the word is one whose hands, tongue, and thoughts do not hurt others".

Object of man's life according to Islam is its complete unfoldment. Islam teaches that man is born with unlimited capacities for progress. Islam does not support the idea that man was born in sin. It teaches that everyone has within him the seed of perfect development and it rests solely with himself to make or mar his fortune. The Cardinal Doctrine of Islam is the Unity of the Father-Allah. We believe in One God-Allah who is All-God, All-Mercy, and All-Power. He is Perfect and Holy, All Wisdom, All-Knowledge, And All-Truth. These are some of His great attributes so far as we can understand. He is free from all defects, Holy and Transcendent. He is personal to us in so far as

we see His attributes working for us and in us, but He is nevertheless impersonal, because He is Infinite, Perfect, and Holy. We do not believe that death, decay, or sleep overtake Him, neither do we believe that He is a helplessly inactive and inert force. Nothing happens without His knowledge and will. He neither begets nor is He begotten, because these are the traits of frail and weak humanity. This Unity of Allah is the first and foremost pillar of Islam and every other belief hangs upon it.

Black History Month is a Joke!

By Sheik Ron Kalif El

*"All praise be to Allah, the Author, Creator
Governor of the world; Almighty and
Incomprehensible."*

*"Highest honors to Prophet Noble Drew Ali
for kicking over the tombstones of Negro,
Black and Colored and raising us back to
living perpendicular"*

*"Peace to all readers who decided to read
this and not overlook this demonstration
due to its title. For the time has come and
we are long overdue in addressing the
conditions of our people."*

The late Harriet Tubman once said "I freed a thousand slaves, I could have freed a thousand more if only they knew they were slaves" let's go deeper into that statement and trace ourselves back because the mind never does forget. Our ancestors fought in adversity for many years trying to keep and restore the Divine Creed and customs of our people "the Sunkist People" We are indeed, have been and always will be the children of one Father (for those that don't understand that might not understand this article) Our history does not start in the 1700's, 1600's, 1500's or the 1400's. We are the torch bearers of civilization. I am sure

***"I brought you everything it
takes to save a nation, now
take it and save yourself."***

The Prophet Noble Drew Ali

most readers can agree on our people's great contribution to civilization. It is not the greatness of our new lost people that is the question. The question is who are these people? Well they go by many names (misnomers) Negro, Ethiopian, Niggers, Black, African Americans, Latino, Mexican, and American Indian ETC. To understand the importance of this article one must be able to understand law. LAW GORVERNS ALL EVENTS. So let's draw: Man can't be Negro. Why? Because it was a name given to a river in West Africa because it contains black water.

Ethiopian means something divided.
Mexican-the land mass of Amexem not the name of the people.

African American-there is 50 countries in Africa which one of you come from all fifty? That makes your mother an undesirable. Latino-the language is Latin not the people. And then there is Black. The one name our people cling to the most. The Black Man, the Strong Black Woman, Black Entertainment Television, Black Award Shows. I laugh but there is nothing funny.

Black History Month. We all know that Black according to Science means death. One might ask the question, why does it matter what black according to Science means.

Understand that to break down history one must use Science and Math; and Math is Science. It's the only thing that stands true when the general opinion of man steps in the way. Know that "general opinion is no proof of truth for the generality of men are ignorant" (Jesus) so it is Science that draws the highest conclusion.

SO WHO ARE WE? WAKE UP PEOPLE!
Jesus said he would come back again and he has, but some of us are still waiting. He has come back as the Prophet Noble Drew Ali-Love mad manifest. He has come to redeem man from his sinful fallen stage of humanity back to the highest plane of life with his father.

For all Bible readers, what is the Holy Covenant? Honor thy father and thy mother that thy days may be long upon the Earthland which thy God hath given thee.

What is the original creed of your forefathers and mothers? What is their nationality that they were fighting so hard to keep? What was our religion before Christianity was placed upon our people by the pale skin nations of Europe? We are indeed without a shadow of a doubt or contradiction what our ancestors were 500, 1000, 2000+ years ago and that is MOSLEMS. Don't run from it, that's what they want.

It was our hands that were nailed to the cross, so we couldn't unite with our family. Nailed our feet so we could not travel the world. Pierced our hearts so we couldn't love each other. Put the crown of thorns on our head to drain all the knowledge of self and tapped your lips with vinegar so it would be

bitter to the taste if you spoke it or heard it. Look up The Christian Black Codes of Virginia. You are not Christians and your ancestors were not and have never lived life according to it.

As long as you follow another man's way of life you will never receive the blessings of your forefathers and mother. There is nothing wrong with the Bible (I read it) Just know how to read it, then you can attach yourselves back to the families within (there are no NBC's in the Bible). You are the descendants of Ruth. The bloodline of Jesus according to "The Great Meeting is on the Koran Questions for Moorish Americans", key 27" Will you give brief the line of genealogy through which Jesus came?"

"Some of the great fathers through which Jesus came are Abraham, Boaz by Ruth, Jesse, King David, Solomon, Hezekiah and Joseph by Mary" (Prophet Noble Drew Ali) key 30 what was the nationality of Ruth? Ruth was Moabites (Prophet Noble Drew Ali)

Our nationality was stripped when the Europeans came to this soil in search for natural resources. So you must deroot its indigenous population and colonize. (Sound familiar?)

Question still holds, when did the slaves arrive? We never arrived, we were already here Moors. The European defeated us on this soil because they were killing our women and children and one must know that a Nation is only as strong as the Woman.

Now the time has come to rule again. But our fight is not with the so called white man our battle is with ourselves. It is us that answer to these slave names of Negro, Black, Colored, Ethiopian, etc. We need to change our mind frame and understand our people's real struggle and it's with selves.

Caveat emptor: Buyer beware. Your own brother will enslave you.

Then there are you're so called Black Leaders. How can a Black Leader lead anybody to anything accept death. The Black Leaders profit off of you. Like cancer the money is in the treatment not the cure. We Need Nationality. Our nationality is Moorish Americans. Like the 3/5 clause about Black people. What two parts are missing? What three do you have? It's a fraction people! Mind, Body and Soul can't be taken, but Divine Creed and Nationality can. Think 3/5 is the people without a nationality and are subject to inferior conditions of the citizens of that land. You're a Slave, Black Man, Nigger, Asiatic, Negro, Latino, and African American ETC. That means you. (Uncle Sam)
